

**CAUGHT AWAY**

(1 Thessalonians 4:13-18, 1 Corinthians 15:51-58)

When we gather, sing about the promise,  
joyful in the words of Paul.  
Some day, there's a trumpet going to sound.  
Many will be taken up to meet the Lord in the air, when he calls  
We'll be changed, we'll be heaven bound.

Chorus:

High above the clouds, far up in the sky,  
Suddenly we go, in the twinkling of an eye  
We hope you will be with us on that day.  
Higher than the mountains, far beyond the seas, together we will fly  
On that day, we are caught away.

Now maybe you've been wondering, what does all this mean?  
We hope you won't be left behind.  
Some day there's a trumpet going to sound.  
You will look around, searching for a sign, but we will not be found  
We'll be changed, we'll be heaven bound.

Chorus:

High above the clouds, far up in the sky,  
Suddenly we go, in the twinkling of an eye  
We hope you will be with us on that day.  
Higher than the mountains, far beyond the seas, together we will fly  
On that day, we are caught away.  
On that day, we are caught away!

## **HOLD ON**

(Matthew 12:43-45, 2 Timothy 4:7)

They soar across the valleys - over desert sands  
Searching for the troubled souls.  
Flying there beside you - they need a place to land.  
Trying hard to take control...

Chorus:

Keep on pushing onward – steady as you go.  
Thank You Lord for making me strong.  
Courage in the battle anywhere I roam.  
I have the faith to hold on.

Running through the darkness – You lead me to the light  
Heal me even when I fall.  
The world is full of shadows – but You are in my life.  
I listen to my heart when You call...

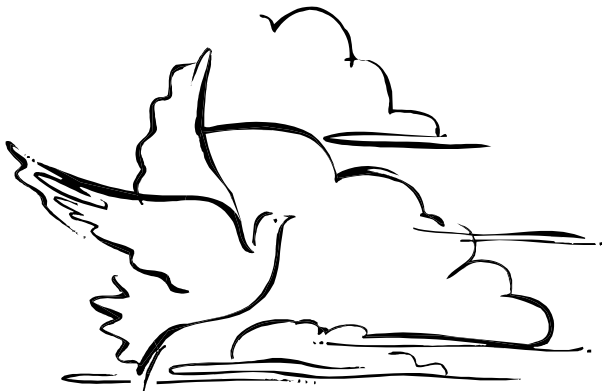

Chorus:

Keep on pushing onward – steady as you go.  
Thank You Lord for making me strong.  
Courage in the battle anywhere I roam.  
I have the faith to hold on.

Instrumental...

Chorus:

Keep on pushing onward – steady as you go.  
Thank You Lord for making me strong.  
Courage in the battle anywhere I roam.  
I have the faith to hold on - I have the faith to hold on.

## **IN YOUR ARMS**

*(Matthew 11:28-30 John 14:1-6)*

Lord, I can't be sure, about tomorrow.  
So I rest, my weary mind, for today.  
In this moment, I will just be still.  
I pray you touch my heart to do Your will.

So many broken hearts filled with sorrow.  
Sometimes hard to find the words to say.  
But I find, comfort in my mind,  
You are there even to the end of time.

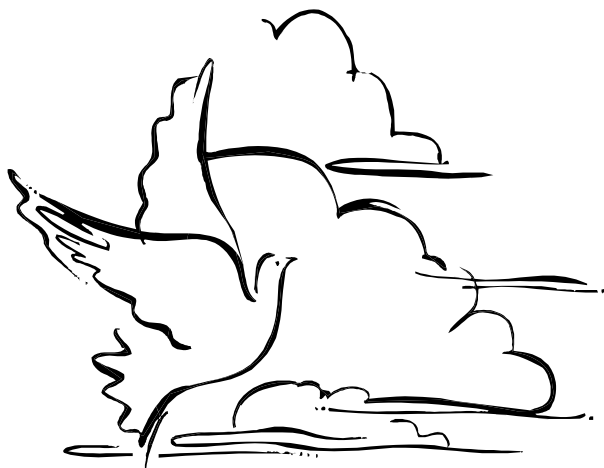

**Chorus:**

Lord! Lead me to Your arms...  
Hold me for the moment, keep me from all harm.  
No better place to be, than in Your arms.

When morning comes You know I will follow,  
The life the truth, the only way - I'll be there, knowing what I've learned.  
Treasuring my hope, in Your Word.

*Chorus:*

Lord! Lead me to Your arms...  
Hold me for the moment, keep me from all harm  
No better place to be, than in Your arms  
There's no better place to be, than in Your arms

## **CITY IN THE SKY**

(John 14:1-3, Thessalonians 4:13-18, Revelation 21:1-3)

Been a lot of talking, not too busy walking what you say  
We need a change, think about something new!  
Let's forget about your worries for today  
There's a place you can go if you choose

Chorus:

I want to live! I want to try!  
I'm going up to that city – city in the sky!  
I want to run, oh - I want to fly!  
I can feel it in my soul – forever I'm alive!

Jesus made a promise, told us He was making our new home  
He's coming back, nothing going to keep us down!  
Think about His love, we are not alone  
We're going up! Nothing going to keep us down

Chorus:

I want to live! I want to try!  
I'm going up to that city – city in the sky!  
I want to run, oh - I want to fly!  
I can feel it in my soul – forever I'm alive!  
I want to live! I want to try!  
I'm going up to that city – city in the sky!  
I want to run, oh - I want to fly!  
I can feel it in my soul – forever I'm alive! I'm alive!

## **ANOTHER DAY**

(Genesis 2:24, Matthew 19:1-6)

Maybe there's a reason why, I'm wondering how you're feeling.  
I have not forgotten every thing you mean to me.  
I guess you could say that time has a way of changing.  
Still here with you there's no place I'd rather be.

Maybe there's a reason why, you're wondering what I'm feeling.  
It use to be so easy, saying, you'll always be there.  
Remember from the start our hopes and the dreaming.  
It's good to know how much you really care.

Chorus:

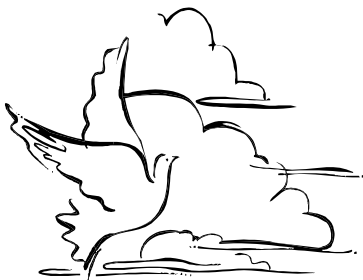

Give us Lord the strength – give us the courage.  
Help us stay as one – come what may.  
Fill us with your love another day.

I think about the promise the rings the wedding and the plans.  
How nothing comes between us even when the valley seems so low.  
Unbroken faith in God will help us understand.  
This I know for sure wherever we go.

Forget about the flowers I'd rather have the hours by your side.  
And be there for the moment I need you to take my hand.  
You don't need to say it I can see it in your eyes.  
Unspoken words between God a woman and a man.

Chorus:

Give us Lord the strength – give us the courage.  
Help us stay as one – come what may.  
Fill us with your love another day.  
Fill us with your love another day.

## **BY THE SEA**

(John 21:1-14)

Been fishing through the night - It's morning nets are bare.  
"Throw your net to the other side," a voice came through the air.  
The heavy net they were dragging, caused them to believe.  
Then Jesus called them over, to breakfast by the sea.

Chorus:

We'll walk on the road together, to paradise, follow Me, and believe.  
When lonely days and nights surround you, I'm always there.  
Remember that day by the Sea.

Though the world is different now, some things never change,  
We make it through somehow, the Lord remains the same.  
We are told to keep His word, until He comes.  
We have the victory, the battle has been won!

Chorus:

We'll walk on the road together, to paradise, follow Me, and believe.  
When lonely days and nights surround you, I'm always there.  
Remember that day by the Sea.

Just a little longer now and all the world will see  
He'll come to take us home, forever we shall be.

Chorus:

We'll walk on the road together, to paradise, follow Me, and believe.  
When lonely days and nights surround you, I'm always there.  
Remember that day by the Sea.

## THESE ARE THE DAYS

(2 Timothy 4:1-8 James 1:17 Mathew 24:35)

These are the days you're not so sure - what you can believe.  
Standing from a distance now - I'm not sure what I see.  
To the left or to the right or somewhere in between!  
Meaning what you said or saying what you mean.  
Tell me do you really know?

Everyday it seems that we are living on the edge.  
Another book, another dream, stories to be read.  
These are days of trouble - ever changing times.  
Hoping for tomorrow – a little peace of mind.  
Words that really feed my soul...

Chorus:

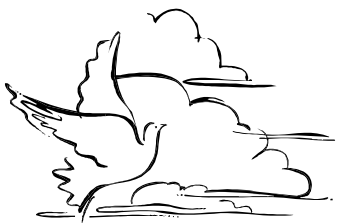

No more shifting shadows – words that fade away.  
We all need a Savior – Jesus is the way!  
Because - These are the days  
Because - These are the days

These are days we wonder, what the storms may bring.  
A world that holds the answer, a pill for everything!  
Tell me what you're seeing - can you give me proof?  
Please don't hurt my feelings – when telling me the truth.  
Do you really want to know? ...

Now turning through the pages of the Bible is a plan.  
No mystery or fable – you will understand.  
Happy days are waiting – someday you will see!  
Truth you can rely on, truth you can believe.  
Be ready when it's time to go...

Chorus:

No more shifting shadows – words that fade away.  
We all need a Savior – Jesus is the way!  
Because these are the days - Because These are the days

## **THE BRAVE THE BOLD AND STRONG**

(Proverbs 3:5-8, Psalm 27:14, John 15:5)

Wake up from your slumber this old heart of mine  
So hardened by the battle scars.  
Rise up from the shadows it's going to take some time  
The journey always seems so far.

Chorus:

Every time I try alone it seems to turn out wrong.  
But in my heart I hear you say... "Be brave, be bold and strong"

We all need some comfort a gentle love that's true.  
We all need to know somebody cares.  
Lord I hear you calling I'm running back to You.  
I know You are always there.

Chorus:

Every time I try alone it seems to turn out wrong.  
But in my heart I hear you say... "Be brave, be bold and strong"

Instrumental...

Chorus:

Every time I try alone it seems to turn out wrong.  
But in my heart I hear you say... "Be brave, be bold and strong"  
... "Be brave, be bold and strong"

## I'M THE ONE

(John 14:18-20, 20:15-16)

You ought to know by now, things the eye, cannot see  
By faith, in your heart, you still believe.  
I want to show you why, you have no need, to fear  
Jesus, is the one, who truly hears.  
So come along down the road, a path that lights the way  
Listen very close and hear Him say...

Chorus:

I'm the one whose there in the garden  
I'm the one standing by the sea  
I'm the one, wherever you are, I'm there, whenever you need  
Because, you belong to Me!

He knows your deepest pain, the sorrows you may feel  
A broken heart, only He can heal.  
So if you can hear me now, He's the one, the only way  
Listen very close and hear Him say...

Chorus:

I'm the one whose there in the garden  
I'm the one standing by the sea  
I'm the one, wherever you are, I'm there, whenever you need  
Because, you belong to Me! Because, you belong to Me!

## WOODY

(Acts 1:1-11, 2 Timothy 4:5)

Woody has a fiddle, he plays a banjo-lin, even owns a second hand guitar  
He lives up on the mountain, when he's not in town,  
people drop him money in a jar.

Down by the river - you can hear him sing all day  
"The Lord is my shepherd, and Jesus is the Way!"

Chorus:

You best be getting ready, you never know the time.  
It could be tomorrow, somewhere down the line -  
And he says, "I just wanted you to know...  
One, more, time, before I go..."

Woody takes his money to the city mission door,  
tells them he'll be back with more.

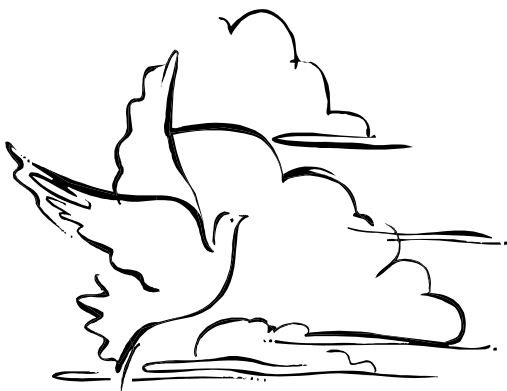

He looks a little ragged, stumbles in his shoes,  
but he's down by the river on the shore.

Down by the river - you can hear him sing all day  
"The Lord is my shepherd, and Jesus is the Way!"

Instrumental...

Chorus:

You best be getting ready, you never know the time.  
It could be tomorrow, somewhere down the line -  
And he says, "I just wanted you to know...  
One, more, time, before I go..."

## **ROLL AWAY**

(Luke 12:11-12)

Running out ahead of the storm, dark clouds rolling in  
Searching for a place to hide myself away  
Waiting for another sunny day.

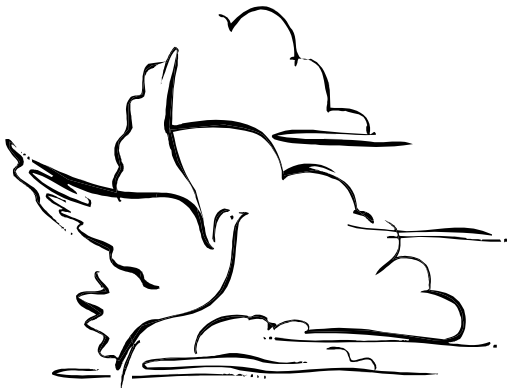

Thunder like a beating heart, riding on the wind  
Falling on my knees I turn to You  
Lord I need Your strength to help me through.

Chorus:  
Shining through the darkness, suddenly I see  
You are reaching down to show the way  
I feel Your grace upon me, like a gentle breeze  
Soon I see the clouds - roll away

Cloudy days I'm burdened by an enemy with schemes  
Like traveling through a foreign land  
Only in Your strength I can stand.

No matter what the battle, how stormy life can seem  
I'm leaning on Your Word, because it's true  
I have learned to trust in You.

Chorus:  
Shining through the darkness, suddenly I see  
You are reaching down to show the way  
I feel Your grace upon me, like a gentle breeze  
Soon I see the clouds roll away - I can see the clouds - roll away

## LEAD ME HOME

(Joshua 1:8-9, Ecclesiastes 12:1-7, Luke 12:11)

Keep me rolling on in time, down the dusty roads  
Keep Your word on my mind as I go  
Lead me on through the night till I reach another day  
Teach me all the things I need to say  
Keep me by Your side as I roam.

*Out here in the wilderness, I sometimes feel alone  
I fear somehow, I might lose my way  
But You are always there to lead me home*

Help me as the years go by, my eyes are not so clear  
When You whisper on the wind will I hear?  
Feet no longer steady, and how time slips away  
With You I know, I will be okay  
With You I have no need to fear.

*Out here in the wilderness, I sometimes feel alone  
I fear somehow, I might lose my way  
But You are always there to lead me home*

*Instrumental...*

*Out here in the wilderness, I sometimes feel alone  
I fear somehow, I might lose my way  
But You are always there to lead me home  
You are always there to lead me home*
