

## **WHEN JESUS COMES**

(1 Thessalonians 4:13-18 Matt 24:27)

Will I be sleeping? Will I be running?  
Will I be looking at the sun, when Jesus comes?  
Will I be laughing? Will I be crying?  
Will I be flying and having fun?  
When Jesus comes, When Jesus comes?

Chorus:  
And as the lightning cracks the sky,  
you know that every eye shall see Him,  
where will I be?  
He's coming in the clouds, the trumpet shall be loud,  
where will I be? When Jesus comes, When Jesus comes?

Take this message to the cults  
To the ones who are in doubt  
Jesus will free them if they receive Him.  
Now we know and we believe  
rescue all who are deceived  
they'll know the Lord is one  
when Jesus comes!

Chorus:  
And as the lightning cracks the sky,  
you know that every eye shall see Him,  
where will you be?  
He's coming in the clouds, the trumpet shall be loud,  
where will I be? When Jesus comes, When Jesus comes?  
When Jesus comes!

## TABLET OF MY HEART

(2 Corinthians 3:1-5)

LORD, Oh my Lord, as the days go by,  
there's a sign from above.  
With You and Your son and the Spirit as one,  
there's faith and hope and love.

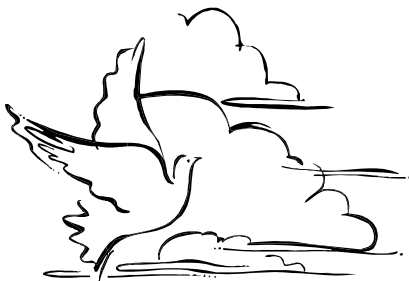

Chorus:

Look around this world is ever changing,  
wondering if there's life beyond the stars.  
But Your words with grace are written,  
on the tablet of my heart.

You in the dark, still you can't believe,  
God has mercy on your soul.  
And you with no feet nor the hands to hold,  
the Father makes you whole.  
And you in the Church with your head hung low,  
can you hear the Spirit calling?  
Keep the faith, keep the hope,  
hold your brother's hand,  
hold them tight when they are falling...

Chorus:

Look around this world is ever changing,  
wondering if there's life beyond the stars.  
But Your words with grace are written,  
on the tablet of my heart...  
Yes Your words with grace are written,  
on the tablet of my heart.

## **JUST WHEN I NEEDED A FRIEND**

(Matthew 11:28-30)

How far must I run if I run to You and  
are You measuring the time?  
I know that You're calling me home again and  
Your words fill my mind.  
The leaves have all gone and they're back again and  
no one really seems to care,  
each day as the wind changes how we live  
I see a sign You're still there.

Chorus:

Just when I needed a friend  
You promised me life, and let me live again.  
On the words of Your life I depend  
and Your spirit with grace You send  
and Your spirit with grace You send.

Your love is the light that is never dim it  
goes on shining through the years.  
Your love saves the hearts and the souls of men and You  
wash away the tears.  
I know that its You who's been on my mind I feel Your Spirit strong  
I'll wait till the words and the melody  
come together in a song.

Chorus:

Just when I needed a friend  
You promised me life, and let me live again.  
On the words of Your life I depend  
and Your spirit with grace You send  
and Your spirit with grace You send  
and Your spirit with grace You send.

## **YOUR LOVE IN ME**

(2 Timothy 4:8, Titus 2:13)

All alone on this dusty road, body turning weak  
as I try to fill an emptiness in me.  
And the mystery of my journey, is the comfort that I seek.  
I surrender all and humbly now I speak.

Chorus:

Cause You are the Truth and the Way and my life.  
You are my destiny.  
You are my strength and my hope and my light.  
You're always there for me.  
then suddenly, I see, Your Love in me.

Like a child I am learning, to walk upon new feet  
holding fast upon the words that tower the meek.  
And I thank You for the promise, in a world so incomplete  
as I travel from the dust beneath my feet.

Chorus:

Cause You are the truth and the way and my life.  
You are my destiny.  
You are my strength and my hope and my light.  
You're always there for me, then suddenly, I see,  
Your Love in me.

Instrumental...

Chorus:

Cause You are the truth and the way and my life.  
You are my destiny.  
You are my strength and my hope and my light.  
You're always there for me, then suddenly, I see,  
Your Love in me.  
Your Love in me.  
Your Love in me...

## REVIVED

(Romans 7:24-25)

I stood by an open door, just like many times before  
and You let me in, now I'm here again.  
Surely You are the way, watching me everyday  
and You see me fall, and You hear my call.  
I've run till my shoes are torn, I stand in a mighty storm  
and I can't go on, I'm not that strong.  
I know I let you down, and then I come around,  
will you let me in, yea I'm here again.

And this road is getting harder  
seems I've reached the bitter end,  
Oh, I just wanted to say,  
I give it all to you today.

Chorus:  
Feeling much better, I close my eyes  
the angels in heaven are by my side,  
LORD my creator look down from the skies,  
the soul of another has just been revived.  
The soul of another has just been revived.

"Instrumental"

Chorus:  
Yes feeling much better, I close my eyes  
the angels in heaven are by my side,  
LORD my creator look down from the skies,  
the soul of another has just been revived.  
The soul of another has just been revived.

## **JESUS WILL FREE THEM**

(Romans 12:18-20 & 16:17-18, Galatians 1:8 & 1 Corinthians 14:33)

When I was a little boy religion never brought me joy  
I used to think a lot about confusion.  
The day they took our Christmas tree I couldn't sit on Grampa's knee  
there was no more make believe just to please them.  
No more birthday cake for me, if you are cut just let it bleed  
dedicate my life to Armageddon.

Chorus:

Oh no it's not for me I couldn't see their road to freedom.  
So pray with open arms they mean no harm  
and Jesus will free them.

Now many years have passed us by, for brothers and for sisters cry  
cause we can't come together on believing.  
They say that I'm apostasy, cause only Christ can set me free  
and door to door they just go on deceiving.  
If I should die before they see this humbled heart inside of me  
I hope that I might touch them as I'm leaving.

Chorus:

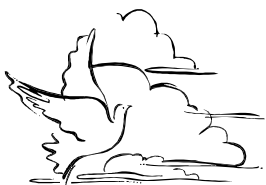

Oh no it's not for me I couldn't see their road to freedom.  
So pray with open arms they mean no harm  
and Jesus will free them.

Oh LORD of LORDS, oh king of kings I hope that all the angels sing  
when four brothers and sisters stand before you.  
Because You sent Your love to me I realize I was deceived.  
I knocked upon Your door and then I found You.

Chorus:

Oh no it's not for me I couldn't see their road to freedom.  
So pray with open arms they mean no harm  
and Jesus will free them...

Oh no it's not for me I couldn't see their road to freedom.  
So pray with open arms they mean no harm  
and Jesus will free them.

## EMPTY CROSS

(Matthew 26:36-39, 28:19-20, John 14:1-6)

Let not your heart be troubled,  
believe in God believe also in Me.  
In My Father's house are many mansions,  
that's why I'm telling you, please believe.

I know the road that you travel,  
I know you've seen a falling star.  
I see you wounded in the battle,  
now I'm the One who can heal your scars.

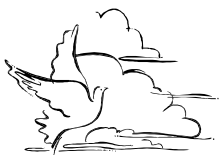

Chorus:  
My child, My friend, all My chosen,  
Are you concerned with gain or loss?  
An empty tomb, seen from the garden,  
or blood that flows from an empty cross?

I am the Way, the Truth, and the Life,  
these are the words we have from Jesus.  
He's gone ahead to prepare our home,  
He will return to receive us.

If you're a heart that is broken,  
or all alone as you suffer in your pain,  
don't be afraid, He knows your burdens,  
He's always near when you call His name.

Chorus:  
My child, My friend, all My chosen,  
are you concerned with gain or loss?  
An empty tomb, seen from the garden,  
or blood that flows from an empty cross...

...My blood still flows from an empty cross.

## **FOLLOW ME**

(Matthew 4:19)

Say good-bye to those old friends, say good-bye  
to those foolish ways.  
I found Jesus, and that's all I needed to say... Good-bye.

Give your reason for leaving, show the truth,  
when the truth just can't be found.  
Keep on believing, don't let another day... go by.

Chorus:  
Every night say a prayer for someone,  
that old friend you have left behind.  
And someday you may see, that old friend on his knees,  
hearing Jesus say, "*come follow Me*"...

Say good-bye to those old days, say good-bye  
to my foolish pride.  
I am a new life, and for me the old... has died.  
Are you looking for freedom, are you down,  
somewhere on the line?  
Follow Jesus! let Him in, let Him change... your mind.

Chorus:  
And every night, say a prayer for someone,  
that old friend you have left behind.  
And someday you may see, that old friend on his knees,  
hearing Jesus say, "*come follow Me*"...

... Say good-bye to those old days,  
say good-bye to my foolish... pride!

## WOUNDED ON THE FIELD

(Romans 8:18)

Tonight I set aside this time for You  
I hope it's not too late to call.  
I've carried burdens through this weary day.  
You know how many times I fall.  
I've come to let You know with tears of love that flow.  
Come Lord Jesus I pray each night before I lay my head to rest. I close my eyes  
to forget the fight, I need Your strength to do my best.  
And then You comfort me When I awake I'm free.

Chorus:

And everyday I come running I've been wounded on the field. And when the  
hour has come I praise You, soon my enemy stands still  
I know You will, I know You will.

With every battle and every cause darkness seems to bring me down.  
But You will always shine a light  
to those who some day You will crown.  
Your words like water's flow teaching me how to grow.  
Your morning sun will rise each day  
and You will always be the same.  
I know it's me who slips away  
and so I'm calling out Your name.  
Revival comes so strong creating words in my song.

Chorus:

And everyday I come running I've been wounded on the field. And when the  
hour has come I praise You, soon my enemy stands still  
I know You will, I know You will.

## THANK YOU

(Psalm 104 & Philippians 4:4 -7)

Today I sit in awesome wonder  
of your power, peals of thunder,  
oh how you must love me, cause' you're so kind.

Almighty God, Prince of Peace,  
You give me strength and cause relief,  
You take away my tears and ease my mind.

I am just a passing stream,  
among the evergreens,  
Your love is endlessly divine.

Baptized into faith and hope,  
Father, Son, and Holy Ghost,  
confirming you're the root that feeds the vine.

(Bridge)  
Longing for the day to come  
when we'll be together as one.

So I'll be moving on,  
day by day it won't be long,  
I'd like to thank you for this song.  
I'd like to thank you for this song.

## LEAD ME ON LEAD ME HOME

(Proverbs 3:5-6)

Shaky hands, feel a change about me and I try to understand.  
I take my stand, feel Your eyes upon me only You know who I am.  
Troubled times, draw me closer to You making me a better man,  
and in my mind, there's a new beginning will You keep me in Your plans.

Chorus:

And when you're crying in the night all the angels stand to fight  
heaven knows Your not alone.  
He is LORD and He is life cleansing tears that fill Your eyes  
feel the victory inside, in Your heart He's made His home.

Though I'm weak, though my spirit toils without You I'm incomplete.  
My heart beats, soft and slow and mellow I am always at Your feet.  
Carry on, point me towards tomorrow You are with me as I roam.  
Faithfully, You wash away my sorrows Lead me on, Lead me home.

Chorus:

And when you're crying in the night all the angels stand to fight  
heaven knows your not alone.  
He is LORD and He is life cleansing tears that fill your  
eyes feel the victory inside, in your heart He's made His home.

Lead me on... lead me home.

## SOMEWHERE TONIGHT

(1 Thessalonians 4:13-18)

All the angels gather round, one by one we hear the trumpet sound.  
In the blink of an eye, there we'll be in the sky.  
What a promise, what a day, leave your troubles as we're caught away.  
This could happen to you, if you believe it's true.

Chorus:

Somewhere tonight, when you're alone, be still, be brave, be strong!  
You want to do what's right, change a heart of stone,  
when you feel your hope is gone, hear the angels sing, we're going home.

When you stumble, if you fall, evil laughter echoes through the halls.  
Don't give in move on, the sun will rise at dawn!  
And a new day, is coming soon, in a world that fire will consume.  
in the dark what will they find, those who are left behind?

Chorus:

Somewhere tonight, when you're alone, be still, be brave, be strong!  
You want to do what's right, change a heart of stone,  
when you feel your hope is gone, hear the angels sing, we're going home.

All the angels gather round, one by one we hear the trumpet sound.  
In the blink of an eye, there we'll be in the sky.

## **NOW IS THE TIME**

(2 Thessalonians 2:8-12)

Love is fading, who really cares?  
Close the window, pull the blinds,  
dim the lights, and turn away.

Who is hungry, who is weak?  
Only shadows, close your eyes,  
try to hide, and turn away.

Chorus:  
Now is the time to turn to Jesus,  
He feeds the hungry and the weak become strong.  
There is no other way than He to lead us,  
He lights the fire and the road you're on.

Instrumental...

There's confusion, what is real?  
Some deceiver, has let you down,  
and now you're bound to turn away.

Be forgiving, you'll understand,  
keep believing, trust in God,  
not in man, don't turn away.

Chorus:  
Now is the time to turn to Jesus,  
He feeds the hungry and the weak become strong.  
There is no other way than He to lead us,  
He lights the fire and the road you're on.

Chorus:  
Now is the time to turn to Jesus,  
He feeds the hungry and the weak become strong.  
There is no other way than He to lead us,  
He lights the fire and the road you're on.

## WASTIN' TIME

(1 Timothy 6:12)

Why do I feel like a broken wheel spinning round,  
Why do my feet never touch the ground.  
Well I'm a little bit older and a little bit colder than I used to be,  
I've built a mountain of memories.

There's no pot of gold, you just grow old, see the working hands,  
day by day they struggle, but they've got a plan.  
Now if I play guitar but I'm not a star is it worth the time,  
I don't know but I can say I'm feeling fine.

Chorus:

Wastin' Time, Is it really Wastin' Time, Away

Well I changed my ways, I was in a haze, and I couldn't see,  
there was something missing, inside of me.  
Now my music and words are a way to serve in a world of shame,  
and I believe there's power in Jesus' name.

So you can see the pain was not in vain, as you carry on,  
in our work or maybe even in a song.  
Don't forget the Lord for you can't afford to let it go,  
plant a seed of love, and watch it grow.

Chorus:

Wastin' Time, is it really Wastin' Time, Away  
Wastin' Time we are never Wastin' Time Away

## **YOU SHINE ON ME**

(2 Peter 1:19)

You came to die, You changed my life,  
in a world that cannot see, still You came to me.  
I heard your voice, I made my choice,  
and the nails that caused You pain, it was I who was the blame.

### *Instrumental*

Your word is read, You raise the dead,  
to a life that never ends, and I know you'll come again.  
These words are true, they come from You,  
and that's all I need to know, any where I go.

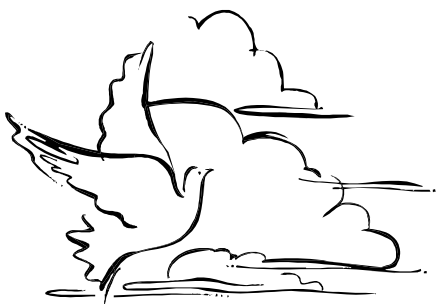

### Chorus:

So many times, when I feel like I'm reaching the end,  
You shine on me. You show me the reason I believe.

It's You I hear, when I draw near, and Your joy is what I find,  
in my heart , my soul, my mind.  
But most of all, if I should fall, mere words cannot explain,  
how you love me just the same.

### Chorus:

So many times, when I feel like I'm reaching the end,  
You shine on me. You show me the reason I believe  
You show me the reason I believe  
You show me the reason I believe

## **I AM**

(John 8:24, 58 & Exodus 3:14)

Everyday is a sunny day when I'm looking up to You.  
Sometimes I forget and I loose my way but You always see me through.  
And one by one, when the day is done, He is blessing you and me.  
Reaching out from above, with His perfect love, as He comes to set you free.

Chorus:

When they asked Him who He was He said, I AM, I AM.  
Well they took him once but then He rose again,  
and He lives, Jesus lives.

Oh, our God, is an awesome God and He's calling you to come.  
He's our daily bread and he'll see we're fed, He is God and He is one.  
He is with us all, even when we fall, He is with us till the end.  
When you ask Him in you'll be born again, and His Spirit He will send.

Chorus:

When they asked Him who He was He said, I AM, I AM.  
Well they took Him once but then He rose again.  
When they asked Him who He was He said, I AM, I AM.  
And He lives, Jesus lives.  
And He lives, Jesus lives.

## BECAUSE OF YOU

(1 Peter 5:6-7, Luke 15:7,10, 2 Corinthians 11:14)

There's a mighty hand reaching down to see you through.  
Can you hear His voice? You know what you have to do.  
All the angels, they will sing before the King of Kings because of you.  
Can you see the signs, can you feel the winds of change?  
The angel in disguise, can't wait to bind you down in chains. There'll be  
footsteps from above as He fills you with His love you call His name.

Chorus:

Oh...Jesus!

Come and rescue me. Just say Jesus, turn me loose and set me free!

There's a shout from on high say's go ahead down that dusty road.  
I will be there by your side, I will comfort you, I will bear the load.  
If there's something on your mind just set aside a time and let Me know.

Chorus:

Oh...Jesus!

Come and rescue me. Just say Jesus, turn me loose and set me free!

There's a mighty hand reaching down to see you through.  
Can you hear His voice? You know what you have to do.  
All the angels, they will sing before the King of Kings because of you.  
All the angels, they will sing before the King of Kings because of you.

## GO AND TELL MY CHILDREN

(Matthew 10:27) [Pray-lude Lord's Prayer]

The room is filled with darkness, a trial has just begun,  
I look around to see You, as I counted one by one.  
Why did You bring me here Lord, I'm trembling inside,  
I've come here with a message, and You won't let me hide.  
I stumble with my fingers, across this old guitar,  
suddenly I hear You, as You whisper in my heart...

Chorus:

Go and tell My children, I'll be coming soon,  
you know there's a reason, you know what to do.  
Open up your windows, let My love shine through,  
to all who hear My calling, I'll be coming back for you.

What about those faces Lord ? They cut me like a knife,  
what about the safety of, my children and my wife?  
I know it's not for me to say, why You brought me to this place,  
fill me with Your Spirit Lord, I need, amazing grace.  
So I stumble with my fingers, across this old guitar,  
suddenly I hear You, as You whisper in my heart...

Chorus:

Go and tell My children, I'll be coming soon,  
you know there's a reason, you know what to do.  
Open up your windows, let My love shine through,  
to all who hear My calling, I'll be coming back for you.  
To all who hear My calling, I'll be coming back for you.
